

New Podcast 'REINVENTED with Jen Eckhart' Now Available on All Major Streaming Platforms

Series to Feature In-Depth Interviews with All-Star Line-Up of Guests, Including Sean Paul, Kathy Ireland, Brian Cuban, Melissa Rivers, Gretchen Carlson & More

NEW YORK — August 16, 2021—National TV journalist, on-air personality, and producer Jennifer Eckhart today announced the launch of *REINVENTED with Jen Eckhart*, a new podcast series focused on sharing awe-inspiring stories and tales of reinvention from some of the world's brightest and most thought-provoking public figures who overcame incredible obstacles on the path to success.

In this new podcast series, host Jennifer Eckhart interviews public figures, celebrities, CEOs, athletes, business leaders, and disruptors from all walks of life who share one thing in common: they threw out "The Rule Book." Some achieved success with ease from the start, while others overcame incredible obstacles, oftentimes taking many career detours in life, while navigating uncharted territory.

"Reinventing oneself, whether personally or professionally, is something so many of us can relate to," said **host Jennifer Eckhart**. "Whether you're ringing the bell at the New York Stock Exchange, or the 'cancer-free' bell, my hope is that this show will inspire anyone who wants to reinvent themselves, to take that first step. It is never too late in life to adjust your sails to reach your destination."

The trailer for *REINVENTED with Jen Eckhart* is available today on [Apple](#) and [Spotify](#), with the first episode debuting on August 23, 2021 featuring Grammy award-winning artist Sean Paul.

The all-star guest line-up includes other notable names such as:

- Kathy Ireland - former supermodel-turned millionaire-business-mogul,
- Zuby - outspoken, controversial author, rapper and fitness coach,
- Brian Cuban - best-selling author and addiction recovery advocate,
- Melissa Rivers - television host and mental health advocate,
- Gretchen Carlson - journalist, whistleblower, co-founder of LiftOurVoices.org, and one of Time's *100 Most Influential People in the World*,

"People often say you don't need to reinvent the wheel, but I've found that reinvention is the key to living a truly authentic and fulfilling life," added **Jennifer Eckhart**. "After listening to these remarkable stories and laugh-out-loud conversations, our audience will walk away from each episode with invaluable advice that can help them navigate their own personal journeys of self-discovery and reinvention."

To subscribe and listen to *REINVENTED with Jen Eckhart*, you can visit any of today's major streaming platforms including Spotify, Apple iTunes, YouTube, Google Play and Stitcher.
